- (a) Internet (via your customer's or client's credit card)
- (b) BPAY[®]
- (c) POSTbillpay[®]
- (d) EFT
- (e) Direct Debit
- (f) Mail
- (g) Phone (with your customer's credit card)
- (h) In person.

Essentially, StrataPay acts as a conduit for payments from your customers to you by utilising one of the Payment Options.

Participating Entity means you and any entity who joins StrataPay and offers a choice to their customers to use the Payment System to facilitate non-cash payments.

Terms and Conditions

The terms and conditions for the Payment System are set out in the:

- General Conditions for Visa and MasterCard Merchant Services;
- User Terms and Conditions for the Payment System;
- Direct Debit Authorisation Terms and Conditions, and;
- BPAY Sub Biller Agreement.

You are required to accept and abide by these terms and conditions and pay the relevant fees in order to utilise the Payment System.

Further, before using the payment options, your customers are required to be bound by the Payer Terms and Conditions for the Payment System which are obtained directly from the StrataPay website www.stratapay.com.au. Your invoice will be required to direct your customers to review and agree to the Payer Terms and Conditions for the StrataPay Payment System at www.stratapay.com.au website.

In circumstances where your customers choose a payment option which is not "online" (for example, payment by telephone) they are able to call StrataPay to request a copy of the Payer Terms and Conditions for the Payment System.

Where your customers choose the direct debit facility as a payment option, there are further terms and conditions contained within the Direct Debit – Service Agreement to which your customer is required to agree to be bound by prior to commencement of any direct debit transactions.

Commissions

No commissions are received by StrataPay through your use of the facilities.

Risks

The Payment System is, for some payment options, operated through the internet. Further, the Payment System utilises individual payment reference numbers for each Participating Entity. Both the respective payment reference numbers and the security of the internet site must be protected from misuse by third parties.

Access to the Payment System may be unavailable in the event that the Internet and/or the phone banking facilities experiencing technical difficulties.

All Participating Entities will be allocated an individual reference number. This unique number will enable payments to be tracked to you through the Payment System. There is a risk however that where your clients and customers incorrectly record your reference number that their payments may not automatically be directed to you. This risk is mitigated somewhat through StrataPay's internet payment system which automatically shows your business name upon the correct reference number being used. The risk of incorrect input is also significantly minimised through the use of a check digit that forms part of the reference number. However, there is still a risk of mistaken numbers being inserted using any of the payment options. There may then be a need to conduct an investigation in order for payments to be correctly allocated..

Where payments are made by your customers via their credit card, direct debit or by cheque, there is always a risk of "charge backs" occurring or the payment being dishonoured. In such a case, StrataPay may be required to deduct monies from your account to recover the amount of the charge back or other deduction (for example dishonoured cheque, direct debit refusal and/or any associated fees).

As a Participating Entity, you are entitled to log into the StrataPay website with your email address and password. It is your responsibility to keep your login details secure.

For some payment options, StrataPay relies upon third parties to operate or provide access to those payment options. Accordingly, any disruptions by these third parties to the services will impact on the ability of StrataPay to provide those services to you and your clients.

Dispute Resolution

StrataPay has an internal dispute resolution procedure which is designed to be able to completely resolve any issues raised by you or your customers. If you have a complaint, you should contact StrataPay on the contact details set out above.

If, despite our best efforts, you believe your complaint has not been satisfactorily dealt with, you may wish to contact an alternative dispute resolution scheme.

The Financial Ombudsman Service ("Ombudsman") is an impartial, independent and free alternative dispute resolution scheme for resolving disputes. Before the Ombudsman can investigate the matter, you must have first given us the opportunity to review it.

You can contact the Ombudsman by:

- Telephone on 1300 780 808
- Facsimile on (03) 9613 6399
- Website - www.fos.org.au

This notice should be given to *us* in the first instance. Cancellation will not affect our right to debit *your account* for fees and *chargebacks*. - 5.2 If *we* conclude as a result of our investigations that *your account* has been incorrectly debited *we* will respond to *your* query by passing an adjustment to *your account* (inclusive of any interest / charges accrued as a result of the incorrect amount being debited) accordingly. *We* will also notify *you* in writing of the amount by which *your account* has been adjusted.
- 5.3 If *we* conclude as a result of our investigations that *your account* has not been incorrectly debited *we* will respond to *your* query by providing *you* with reasons and any evidence for this finding in writing.
- 5.4 Any queries *you* may have about an error made in debiting *your account* should be directed to *us* in the first instance so that *we* can attempt to resolve the matter between *us* and *you*. If *we* cannot resolve the matter *you* can refer it to *your financial institution*.

 - with *your financial institution* before completing the *direct debit request* if *you* have any queries about how to complete the *direct debit request*.

7. Confidentiality

- 7.1 *We* will keep any information (including *your account* details) in *your direct debit request* confidential. *We* will make reasonable efforts to keep any such information that *we* have about *you* secure and to ensure that any StrataPay employees or agents who have access to information about *you* do not make any unauthorised use, modification, reproduction or disclosure of that information.

1 Purpose

This agreement sets out the terms and conditions under which:

- (a) the Master Biller agrees to act on behalf of the Customer to facilitate the receipt of BPAY Payments by the Customer; and
- (b) the Customer agrees to accept BPAY Payments through the MB Biller Code.

2 Authorisation

- 2.1 The Customer agrees to receive payments through **BPAY** Payments made using the Payment Methods.
- 2.2 The Customer authorises the Institution, and directs the Master Biller to authorise the Institution:
 - (a) to accept Payments for the Customer made using the Payment Methods; and
 - (b) to credit and debit to the Account all amounts contemplated under this agreement.
- 2.3 Without limiting clause 2.2 in any way, the Customer authorises the Institution to make debits and credits to the Account as and when necessary to effect Payments and Adjustments made using the Payment Methods, and whether that Payment or the original transaction to which that Adjustment relates occurred before, on or after the date of this agreement.
- 2.4 The Customer agrees to do all acts, including without limitation executing any documents and other instruments, and give any consents, necessary to give effect to the authorisations in clauses 2.2 and 2.3.
- 2.5 The Customer may not give the Institution any instruction or direction, whether concerning the operation of an Account or otherwise, which is inconsistent with any authorisation or other provision of this agreement, and the Institution is entitled to disregard any such inconsistent instruction or direction.
- 2.6 The Customer acknowledges for the benefit of the Master Biller and the Payer Customers of the Customer that a Payment or Adjustment made to the Institution in its capacity as representative of the Master Biller will be treated as having been received by the Customer on the Settlement Date for that payment, whether or not it is in fact received by the Customer on that day.
- 2.7 The Master Biller will pass on to the Customer any information about Payments or Adjustments relating to the Customer which is received by the Master Biller from the Institution within 24 hours of receipt of that information by the Master Biller.
- 2.8 This agreement does not confer any rights or obligations on any party with respect to **BPAY** View. If a Sub-biller wants to participate in **BPAY** View, it may only do so with the prior written agreement of the Master Biller on such conditions as the Master Biller and the Sub-biller may agree.

3 Obligations of the Master Biller

The Master Biller must:

- (a) comply with its obligations under BPAY Payments as a Master Biller;
- (b) perform its obligations under BPAY Payments in relation to the Customer and this agreement with reasonable skill and care; and
- (c) use reasonable efforts to ensure that the Institution complies with its obligations in respect of Payments to the Customer.

4 Obligations of the Customer

- 4.1 The Customer must:
 - (a) correctly and promptly credit or debit as the case may be the amounts of each Payment received by the Customer to the Customer's accounting record applicable to the Payer Customer, as identified in the information provided to the Customer by the Master Biller;
 - (b) promptly notify the Master Biller if it is unable to apply Payments to its Payer Customers for any reason;
 - (c) establish and maintain a fair policy for correction of errors and exchange and return of goods and services if a dispute arises in respect of a Payment;
 - (d) receive Payments for its own benefit and to its own accounts, not on behalf of third parties; and
 - (e) report to the Master Biller any fraud or suspected fraud involving the Customer or any of its Payer Customers.
- 4.2 The Customer consents, and agrees to ensure that its Payer Customers consent, to each information exchange necessary to allow:
 - (a) the Institution and other participants in the **BPAY** Scheme to accept and process Payments from the Payer Customers of the Customer;
 - (b) the information exchanges contemplated by this agreement to occur; and
 - (c) the Master Biller to comply with its obligations and exercise its rights under this agreement.
- 4.3 The Customer agrees to be bound by the adjustment rules set out in the document called "Sub-biller Operations Manual Part 1" as attached to this agreement and as varied or amended from time to time. The Customer acknowledges:
 - (a) receipt of the Sub-biller Operations Manual; and
 - (b) that the Sub-biller Operations Manual forms part of this agreement.

5 Customer acknowledgement

- 5.1 The Customer acknowledges that a delay of any duration might occur and no rights arise as a result of a delay in the processing of Payment Instructions where:
 - (a) there is a public or bank holiday on the day or on the day after a Payer gives a Payer Direction;

- (b) a Payer Direction is received either on a day which is not a Banking Business Day or after the Payment Cut-off Time on a Banking Business Day. These Payer Directions will ordinarily be processed by the Payer Institution on the next Banking Business Day;
 - (c) another financial institution participating in **BPAY** Payments does not comply with its obligations under the **BPAY** Scheme; or
 - (d) the Customer fails to comply or is suspected on reasonable grounds of failing to comply with its obligations under this agreement, or is suspected on reasonable grounds of being involved in fraud, and payments to the Customer are suspended pending resolution of the issue.
- 5.2 The Customer acknowledges and accepts that its ability to receive Payments through **BPAY** Payments may be suspended or terminated, without prior notice to the Customer, if the participation of the Master Biller or the Institution in **BPAY** Payments is suspended or terminated.
- 5.3 If for any reason beyond the Institution's or Master Biller's control a Payer Customer effects a payment to the Customer through **BPAY** Payments by which that Payer Customer's Payer Institution receives value, but an equivalent value is not received by the Institution, the Institution is not liable to the Customer for that value not being credited to its Account, or if already credited, being debited to the Account by way of an Adjustment.

6 Promotions and advertising

- 6.1 The Master Biller is entitled to sub-license use of the Marks and grants the Customer a sub-licence to use the Marks including the **BPAY** logo and name in the manner specified in this agreement and the Standards Manual for the purposes of advertising its participation in and promotion of **BPAY** Payments to Payers and for no other purpose. The sub-licence granted pursuant to this clause terminates immediately on termination or expiry of the Master Biller's right to sub-licence use of the Marks or on termination or expiry of this agreement.
- 6.2 The Customer acknowledges that **BPAY** owns the Marks and agrees:
- (a) not to contest or in any way impair any rights of **BPAY** to the Marks; and
 - (b) at any time at the request of the Master Biller or Institution to include a statement on any packaging, promotional or advertising materials used in connection with **BPAY** Payments, including any in electronic form, that the Marks are being used by the Customer under the control of and with the authorisation of **BPAY** and acknowledging ownership of **BPAY** of the Marks.
- 6.3 Any use of the Marks by the Customer which is not in compliance with the requirements of this agreement or the Standards Manual and which is not promptly discontinued following written notice from the Master Biller to discontinue such use will be regarded as adequate ground for termination of this agreement.
- 6.4 The Customer is not entitled to license or assign the right to use any of the Marks whether by sale, consolidation, merger, amalgamation, operation of law or otherwise.
- 6.5 The Customer must use the appropriate denotation or legend of trademark registration or ownership in connection with the Marks, as required or consented to by the Master Biller.
- 6.6 If the Customer desires to use a denotation or legend of trade mark registration or ownership in connection with any mark (other than the Marks), but used in association with or on the same printed matter as the Marks, it may do so provided that:
- (a) such use will not adversely affect the rights of **BPAY** in the Marks;
 - (b) the specification for such use is notified in writing to the Master Biller, and the Master Biller gives its written approval to that specification prior to such use.
- 6.7 The Customer must not use the Marks in such a way as to create an impression that the goods or services offered by the Customer are sponsored, produced, offered or sold by the owner of the Marks. The Customer must not adopt "**BPAY**" or any other Mark as any part of the name of its business or apply it to any goods or services offered for sale.
- 6.8 The Customer must immediately on becoming aware of any infringement or potential infringement of the Marks notify the Master Biller.
- 6.9 If any claim is asserted or legal proceedings commenced against the Customer for alleged infringement of any rights held by a third party by reason of the use of the Marks, then the Customer must when it becomes aware of that claim or legal proceedings:
- (a) provide prompt written notice of such claim or proceedings to the Master Biller; and
 - (b) keep the Master Biller informed of all developments in respect of the claim or proceedings.
- 6.10 The Customer undertakes to:
- (a) inform its Payer Customers, in a manner which is not misleading, how they may use **BPAY** Payments (including giving them the MB Biller Code);
 - (b) use only literature or promotional materials provided or approved by the Master Biller for the above purposes and in accordance with the Standards Manual; and
 - (c) print the **BPAY** logo and the MB Biller Code on its customer invoices,
- until such time as this agreement is terminated.
- 6.11 The Customer agrees to give the Master Biller access to the literature and materials referred to in clause 6.10 upon receiving reasonable notice from the Institution of its desire to have such access from time to time.
- 6.12 The Customer consents to the use of its name and main trading logo in lists and in promotional material by **BPAY**, the Master Biller, Payer Institutions and the Institution.

7 Customer representations and warranties

- 7.1 The Customer represents and warrants to the Master Biller and the Institution that:
- (a) it has all necessary power and authority to enter into this agreement and to perform its obligations under it;
 - (b) it will comply with all laws or industry codes applicable to the Customer in its exercise of its rights and performance of its obligations under this agreement; and
 - (c) all information provided at any time by the Customer to the Master Biller as contemplated by this agreement is true and accurate at the time it is provided. The Customer agrees to provide updated or corrected information to the Master Biller if any of the information provided by the Customer to the Master Biller at any time as contemplated by this agreement is no longer true and accurate.

This clause does not apply to the extent that the consideration is expressly agreed to be GST inclusive.
- (x) If the recipient is required to reimburse the supplier for any costs, the amount must be reduced to the extent that the supplier is entitled to claim an input tax credit in respect of those costs. A party will be assumed to have an entitlement to claim a full input tax credit unless it demonstrates otherwise prior to the date on which the consideration must be provided.

18. Training

19. Indemnity

The Merchant indemnifies StrataPay and the Service Provider against all claims, damages, actions, losses and liabilities (including, without limitation, all fines, penalties and other charges incurred by StrataPay and the Service Provider as a result of any act or omission of the Merchant) which StrataPay and the Service Provider or any of its employees, contractors or agents suffers or incurs arising directly or indirectly from:

20. StrataPay and Service Provider Liability

- (i) To the extent permitted by Law, StrataPay and the Service Provider will not be responsible for any loss or damage (including consequential loss or damage) suffered by the Merchant pursuant to the Agreement including, but not limited to, loss or damage suffered because any telephone line or other communications device or service is malfunctioning or not operating, except loss or damage attributable to the negligence or willful default of StrataPay or the Service Provider.

To remove any doubt and without limiting the generality of this provision, the StrataPay and Service Provider services and Merchant Facilities are dependent on messaging, communications, processing and other systems which are subject to interruption or breakdown for a variety of reasons. StrataPay and the Service Provider will take all commercially reasonable steps to reduce the duration should such interruption or breakdown occur but will not otherwise have any liability for any failure, delay or other matter resulting from it.

- (ii) StrataPay and the Service Provider are not liable for any loss, liability or damage which a Merchant may suffer or incur resulting from StrataPay or the Service Provider's failure to credit the Merchant Account due to technical or administrative difficulties relating to the banking system used for the transfer of funds to the Merchant Account.

21. Third Party Bureau Services

StrataPay and the Service Provider are not responsible for the acts or omissions of any third party which provides services, including without limitation, processing services, to the Merchant in connection with the Merchant Facilities.  - (b) the Merchant has complied with the requirements of the Agreement applicable to processing of Transactions;
 - (c) the Merchant is not aware of any fact which would cause the Transaction to be an Invalid Transaction;

- (ii) The Merchant represents and warrants to StrataPay and the Service Provider that the Merchant has power to enter into and perform its obligations under the Agreement and that the Agreement is valid, binding and enforceable against the Merchant.
- (iii) The Merchant represents and warrants to StrataPay and the Service Provider that the information the Merchant has provided the Service Provider in the Application is true and correct and not misleading in any material respect.
- (iii) The Merchant acknowledges that the issue of a Nominated Card to a Cardholder is not a representation or warranty by the Service Provider or the Nominated Card issuer as to the Cardholder's credit worthiness or identity.

25. Suspension of Merchant Facility or Freezing of Merchant Account

- (i) The Service Provider reserves the right to suspend the Merchant Facilities and refuse to allow withdrawals of funds from the Merchant Account, or suspend the Merchant Facilities immediately upon notice to the Merchant if any of the events listed in Condition 26(ii) occurs.
When exercising this right the Service Provider is not required to notify the Merchant of the date upon which the suspension will end.

 - (a) the Merchant must not accept any Nominated Cards as payment for goods or services; and
 - (b) The Service Provider is not obliged to accept any Transactions processed by the Merchant after notification of suspension.
- (iii) The Service Provider may during the period of suspension terminate the Merchant Facilities pursuant to Condition 26.

26. Termination

- (i) Either the Merchant, StrataPay or the Service Provider may at any time terminate the Agreement by giving the other notice in writing. The notice does not need to include any reason and will take effect 30 days after the date on which it is given.
 - (ii) The Service Provider and StrataPay may terminate the Agreement immediately by notice to the Merchant should any of the following occur:

 - (iii) Termination of the Agreement or any part of it does not affect any rights or obligations of the Merchant or StrataPay the Service Provider that arose prior to termination. In particular, any obligation the Merchant has under the Agreement to indemnify the Service Provider or StrataPay or to pay the Service Provider or StrataPay any amounts (including costs), is a continuing and independent obligation and survives even if the Agreement is terminated. All Transactions made prior to termination are subject to the terms of the Agreement.
 - (iv) Upon termination of the Agreement, the Merchant must immediately return to the Service Provider or StrataPay all promotional material and equipment supplied in connection with the Agreement.

27. Set off

- (i) StrataPay and the Service Provider may at any time without notice to the Merchant set off any Liability owed by StrataPay and the Service Provider to the Merchant on any account against any Liability owed by the Merchant to StrataPay or the Service Provider (as the case may be) under or in connection with this Agreement. For the purpose of this condition, "Liability" means any debt or monetary liability, irrespective of whether the debt or monetary liability is future or present, actual or contingent.
- (ii) If StrataPay or the Service Provider exercises its right of set off under Condition 27(i) in respect of a contingent debt or monetary liability owed by the Merchant and the actual liability proves to be less than the amount set off, StrataPay or the Service Provider (as the case may be) must pay the Merchant the amount of the difference.
- (iii) Where the Merchant is a partnership, unincorporated joint venture or sole trader and the Merchant Account is in the name of one or more, but not all partners or joint venturers, or is a joint account in the names of the sole trader and one or more other persons, the Merchant must procure that an "Irrevocable Authority to Debit" in a form approved by StrataPay and the Service Provider is completed and signed.

28. Variation

- (i) The Service Provider may vary all or any of the provisions of the Agreement at any time by giving the Merchant notice in writing. 31. Assignment

This Agreement is binding upon the parties, their executors, administrators, successors and permitted assigns. The Merchant must not transfer any of the Merchant's rights or obligations under the Agreement unless the Service Provider and StrataPay consent in writing. The Service Provider may transfer any of its rights or obligations under the Agreement upon giving 14 days prior notice to the Merchant. To remove any doubt the Service Provider may at any time arrange with a third party to provide any of the services the Service Provider is obliged to provide to the Merchant pursuant to the Agreement.

32. Severability

If in any jurisdiction, a provision of the Agreement is illegal or unenforceable, the Agreement is to be interpreted for the purposes of that jurisdiction only, as if it had never included the provision so far as the provision is illegal or unenforceable.

33. Waiver

The rights the Service Provider has under the Agreement cannot be waived except by the Service Provider giving the Merchant written notice waiving the particular rights. In particular, the Service Provider does not waive any right that the Service Provider has in connection with the Agreement merely because the Service Provider does not exercise it or does not exercise it as soon as the Service Provider can.

34. Merchant's Continuous Obligations

The Merchant must notify the Service Provider:

- (a) in the event that circumstances arise which may have a material adverse effect on the Merchant's business, assets or financial condition or the Merchant's ability to perform the Merchant's obligations under the Agreement. - (b) if the Merchant sells, leases or transfers its business or any of the Premises; or
- (c) if a Merchant changes the address where it carries on business or otherwise changes its contact details (eg, telephone number, facsimile number or email address) or starts carrying on business at any other place; or
- (d) if the Merchant changes the nature or type of its business.

35. Security

At any time, the Service Provider may request that the Merchant provide the Service Provider with Security of a type, and to secure an amount, specified by the Service Provider.

This Agreement is governed by the Law in force in Queensland. The Service Provider and the Merchant agree to submit to the non exclusive jurisdiction of the courts of Queensland in relation to any proceedings about or in connection with the Agreement.

37. Application of the Code of Banking Practice

The Code of Banking Practice applies to the provision of the Merchant Facility if the Merchant is an individual or Small Business.

38. Dispute Resolution Procedures

- (i) Where the Merchant has a complaint in relation to the provision of the Merchant Facilities, it should speak with StrataPay in the first instance. If the complaint cannot be resolved promptly, a supervisor within the Service Provider's Merchant Services will take responsibility for resolution of the complaint. StrataPay and the Service Provider's aim is to resolve any complaint within ten Business Days. If this is not possible, StrataPay or the Service Provider will advise the time StrataPay or the Service Provider expects it will take to resolve the complaint.
- (ii) If the Merchant is an individual or a Small Business and is not satisfied with the steps taken by the Service Provider to resolve the complaint, or with the result of the Service Provider's investigation, the Merchant may wish to contact an alternative dispute resolution scheme, such as:
